MESSAGE FROM CARO

Kia ora, e te whānau,

🌟 Celebrating Success: A Stellar Start to the Term! 🌟

I am thrilled to share the fantastic highlights of our term's events so far, made possible by your enthusiasm and support! Our Matariki celebration saw a spectacular turnout, sharing Kapa Haka, collaborative arts and craft, sharing in class-made soup - all fostering a deep sense of togetherness.

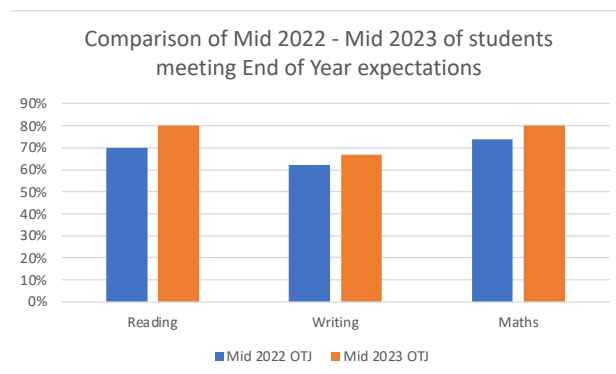

The Kahui Ako Cultural Festival was an awe-inspiring showcase of our school, with even our youngest students participating, and everyone coming together for an extraordinary performance. The feedback from our whānau and the other schools present has been overwhelmingly supportive and positive.

I am happy to advise that the drainage issues that have been lingering, have now been successfully resolved and now also replanted. This allows us to continue our efforts to raise funds for the much-anticipated court resurfacing project.

The spotlight is also on our upcoming production, with preparations in full swing! Mark your calendars for the 14th of September as our students take the stage for a fun performance based around our values. Don't miss the matinee or evening shows with the potential for some time to enjoy some dinner together before the event.

I would also like to extend my gratitude for attending the recent Parent-Teacher Goal Setting Interviews. Your active involvement is key to your child's success, and we value your commitment to their education.

I have also included a little snapshot of our over achievement so far this year - recently presented to the BOT. Our students are continuing to make great progress, building on the strengths of last year too - which is really positive.

As we forge ahead into the term, let's continue to support and uplift one another, and ensure this term continues to be a success.
