

Nau mai, haere mai e te whānau o te Kura o Mākara,

I am thrilled to share the fantastic start to the year at Mākara Model School!

Already, we've achieved significant milestones, including the completion of our new toilet block and the completion of the resurfacing of our courts. Thanks to a donation from another school, our Tui classroom has received a furniture update, as we continue to enhance our learning environments.

With both teachers and students settled and content, learning has been able to get in full swing from the very first week back, including our swimming lessons. Sadly swimming season has come to an end, so we will have a celebratory duathlon next week on the 8th of March, featuring swimming, running, and a sausage sizzle.

The end of swimming marks the beginning of our cross-country training in preparation for early Term 2. Additionally, Kapa haka is set to commence next week, with Whāea T joining us on Wednesdays, while Te Reo continues to be a vibrant part of daily classroom activities.

Stay tuned for more exciting updates as the year progresses!

Arohanui  
Caro

## GOAL SETTING INTERVIEWS:

You will be getting an email shortly, with a link to booking a goal setting interview with your child and their teacher on the 26th and 27th of March, held here at school.

Please make sure you book in a time, but if it isn't possible for you at the offered times, please contact your child's teacher to make an alternative arrangement to catch up.

# THANK YOU!

A massive thank you to all our volunteers in so many different capacities. Of particular note this year we have:

A big thank you to Tim Harkness for sourcing some materials for our senior obstacle course, and to Jono Studholme for picking the materials up - it brings us one step closer to getting onto that project!

A big thank you also, to Jeff Hall, Matt Craig and Natalie Mercer who have been chipping away at the weed eating on the bike track, supporting our goal of clearing it to reclaim for sports.

Thank you also to Alister Luke for collecting the classroom furniture and dropping it off here to school - Tui class is very excited about their new tables.

Pool Monitors: We are so grateful to Sam Hyde, Jessica Eccles, Jeff Hall, Rachel Kasa for monitoring, cleaning and supporting the pool being open all summer.

A huge thank you goes to Paul McKelvey, who kindly installed our new security cameras around the school, which are now up and running and proving most useful.

## CAN YOU HELP?

We are still in need of volunteers - so if you are able to help with weed eating the bike track, lending a tractor with a blade to level the bike track, sort out our rabbit 'problem', or with building a couple of raised vegetable beds (we have the wood) - then please let me know - we would be so grateful!

Thank you for helping us provide the best opportunities for our tamariki -

# UPCOMING DATES

More dates to be added as events are confirmed.

## **Term 1 2024:**

Duathlon: 8 March 11-12.30

Gymnastics School Trial Day: 22 March

School Interviews: 26/27 March 2-6pm

Teacher Only Day: 28 March

Easter Friday 29 March

Easter Monday: 1 April

Easter Tuesday: 2 April

QUIZ NIGHT: 7 April

Board Meeting: 10 April

**TERM ENDS: 12 APRIL 2024**

## **Term 2:**

STARTS: Monday 29 April

Cross Country: TBC

Kings Birthday: 3 June
