

Term 2 - Week 4

We're almost halfway through the term, and it's been a busy and exciting time. Our cross-country event was a great success, despite the weather. A big thank you to everyone who came out to support!

With the ongoing wet weather, please ensure that children have suitable footwear. If your child enjoys boisterous play in the sand or puddles, it's a good idea to pack a change of clothes in their bag.

A reminder that any non-sick leave (holiday leave) needs to be requested. I am directly responsible to the Ministry with accounting for any prolonged leave, or anything that is unjustified or truancy based. I very much appreciate your communications with me about this prior to the events.

With our Living World study this term, the children are fortunate to have the opportunity to go to Zelandia (Seniors) and the Zoo (juniors) on the 4th of July. Exciting times - you will get more information about this shortly.

CULTURAL FESTIVAL - TERM 3

We are thrilled to announce that we have been generously granted funds from the NZ Community Trust for our Kapa Haka uniforms. The new uniforms have arrived and look absolutely fabulous! To make our outfits even more spectacular, we are currently crafting headbands and waistbands. Additionally, boys will need black shorts to complete their uniforms, so please check at home to ensure your child has a pair or make arrangements to get some in the next few weeks. A huge thank you to the NZ Community Trust for their support of this fantastic project!

MATARIKI CELEBRATION + ZONES OF REGULATION + CONSULTATION

On the 27th of June, we will be hosting our Matariki Celebration - which will run from 5pm. We will be serving soup that the children have made (like we did last year) and will also have a chat about Zones of Regulations, which is now running alongside Positive Behaviour for Learning programme. The BOT will also be running a short consultation session, which we would love your feedback in.
